Cllr Martin Searles welcomed everyone to the meeting and thanked everyone who had distributed posters, he had put up 5 large posters in the Parish. Posters were available for people to take and Alison Kidd said she had put the landscape questionnaire through letterboxes with the posters. There was a discussion on the Neighbourhood Plan to bring Simon Laity up to date. Alison Kidd had looked online at other Parishes Neighbourhood Plans and thought that some were ambiguous and hoped ours would be better defined. Simon Laity asked whether we are meeting the Councils requirements for the plan, Cllr Peter Behrens explained that we have engaged professionals to gather data and prepare and present the final document.

Preparations for the next public meeting.

Concerns were raised about the quantity of cake required to make sure that everyone who attends will get cake as advertised on the posters.
