Present: Martin Searle (Chair), Simon Laity, Jane Howells, Alison Kidd, Mike Ryan, Peter Behrens

Apols: Denis Reed, Paul Conboye, Roger Calfe, Christopher Allerfeldt

Jane Howells confirmed the amendment to the minutes of the last meeting as per her email

Work on Janes Evans' draft plan continued with a discussion of the amendments made by those present taken into consideration; to establish an Introduction and Vision (using M R's draft) that accurately reflected the desire of the parishoners as expressed through the Questionnaire and the public meetings held to date; to avoid a prescriptive approach; to refer constantly to the feedback so far gathered; to refer to the existing plans of St Erth, Hayle, Feok, St Withiel, St Mewan where relevant, including the presentation of Landrake's process chart that includes clearly defined chronology; to refer to Southill in the Lynher Valley

Objectives and priorities discussed; scrutiny of the detail in the draft, including definitions of 'village' and 'built environment', 'small scale' and any 'design statement'; 'settlement boundary'; the position of 'legal requirement' and 'history' in the order of the Plan

SL to circulate the amended draft to those present using google box for clarity and efficiency
