M Searles welcomed everyone to the meeting.

M Searles has written a forward for the website and will send it to D Reed to update the website.

M Ryan has agreed to write the introduction to the Neighbourhood Development Plan.

J Evans was given a copy of our draft plan that we have achieved so far, he suggested that the document should be slim line and any other information should go as an appendix. Each objective of the Plan would need supporting evidence and it would be ideal to be more concise with the policy than ambiguous. Non designated buildings could be added into the policy to protect them from development and new buildings should be stopped from becoming second homes or holiday lets.

Kath Statham has begun our Local Landscape Character Assessment and it will be passed on to J Evans for inclusion into the Plan.

Meeting closed at 9:15pm

Next meeting 7:30pm on 25th July 2018 at The Old Schoolroom.
