

## **ST HILARY PARISH NEIGHBOURHOOD PLAN STEERING GROUP**

Minutes of the meeting held at the Old Schoolroom, St Hilary on 10<sup>th</sup> April 2019.

Meeting opened at 6:30pm

Present                      M Searle, J Howells, P Behrens, A Kidd, M Ryan, D Reed,

M Searle's opened the meeting, the minutes for 6<sup>th</sup> March 2019 were read and agreed.

P Behrens presented the Design Statement for the NDP and discussions followed on the types and designs of buildings that would be accepted within the Parish.

The meeting attended by J Howells and A Kidd discussed Carbon Neutral Energy and that St Hilary would be classified as a buffer zone because of the amount of trees and green space.

M Ryan informed the group that the meeting with St Hilary School was delayed and deferred until 9<sup>th</sup> May, asked where the breakdown of where pupils that attend the school reside. The school is currently rated as excellent in reading and writing and with class sizes of approximately 35 pupils seems in a good position regarding pupils wishing to attend the school.

Settlement Boundaries were again discussed and J Howells will bring interactive maps to the next meeting with a view to finalising where settlements boundaries would be in the NDP.

Plans were discussed on the presentation to the Parish Council on what has been achieved and what still needs to be consolidated.

Meeting closed at 7:45pm

Next meeting is at 6:30 on 17<sup>th</sup> April 2019 at The Old Schoolroom.
