Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

4) CLIMATE CHANGE

Climate Change Draft Policy Objective

To ensure that St Hilary can meet the future challenges of climate change with a focus on natural climate resilience, low carbon energy efficiency and the small-scale delivery of renewable energy solutions that respect the sensitive landscapes of the Parish.

Policies arising from this objective:

- Natural Resources and Climate Resilience
- Energy Efficiency
- Renewable Energy

Q4) Do you agree with this policy objective and the arising policy titles?

Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

5) HOUSING

Housing Draft Policy Objective

To end piecemeal development and consolidate existing areas of settlement within the Parish through the small-scale delivery of affordable housing for local need. To maintain community vibrancy, facilities and affordability by limiting second home ownership.

Policies arising from this objective:

- Settlements
- Affordable Housing
- Primary Residency

Q5) Do you agree with this policy objective and the arising policy titles?

Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

6) HEALTH AND WELL-BEING

Health and Well-Being Draft Policy Objective

To ensure all opportunities are taken through planning and development to maintain green and open space in good condition for recreation, to provide leisure and sports facilities, particularly for young people and to conserve walking routes around the Parish.

Policies arising from this objective:

- Leisure and Recreation
- Sustainable Transport and Access

Q6) Do you agree with this policy objective and the arising policy titles?

Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

7) DESIGN

Design Draft Policy Objective

For the design of any new development within St Hilary Parish to be of a high quality that reflects and strengthens historic and landscape character and minimises visual impact on rural landscapes.

Policies arising from this objective:

- Design principles
- Design standards

Q7) Do you agree with this policy objective and the arising policy titles?

Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

8) SERVICES AND FACILITIES

Services and Facilities Draft Policy Objective

To ensure the continuation of community facilities and services in St Hilary Parish that support community cohesion, vibrancy and social and economic activity in a manner that supports traditional ways of life and reduces the need to travel.

Policy arising from this objective:

- Facilities and services

Q8) Do you agree with this policy objective and the arising policy titles?

Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

9) ECONOMY

Economy Draft Policy Objective

To maintain and enhance a thriving rural economy in St Hilary Parish, where it is compatible with its sensitive rural landscapes, through the provision of workspaces for local self-employed people

Policies arising from this objective:

- Employment space
- Agricultural diversification
- Sustainable tourism

Q9) Do you agree with this policy objective and the arising policy titles?

Please circle one of the boxes below to indicate your level of agreement.

Strongly agree	Agree	Neither agree nor disagree	Disagree	Strongly disagree
----------------	-------	----------------------------	----------	-------------------

Further questions:

Q10) Is there already enough provision for camping and caravans in St Hilary Parish?

Please circle one of the boxes below to indicate your level of agreement.

Too much already	About right	Not enough
------------------	-------------	------------

Q11) How highly do you value the protected coastal Area of Outstanding Natural Beauty in St Hilary Parish?

Please circle one of the boxes below to indicate your level of agreement.

Extremely highly	Highly	Neither	Not highly	Not very highly
------------------	--------	---------	------------	-----------------

Q12) Regarding large scale (non-domestic) solar PV farms on green field sites in St Hilary Parish, would you:

Please circle one of the boxes below to indicate your level of agreement.

Strongly support	Support	Neither Support nor Oppose	Oppose	Strongly Oppose
------------------	---------	----------------------------	--------	-----------------

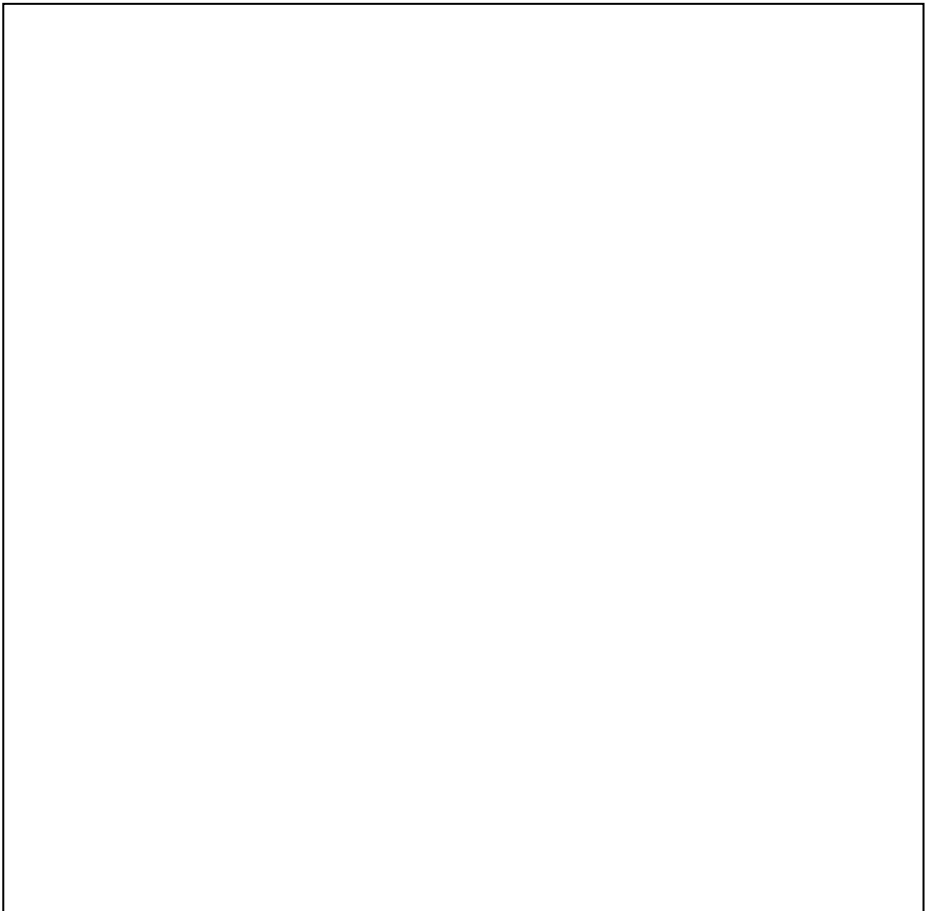

Q13) Is there a Green Space close to you which is special to your community and has particular local significance because of its beauty, historic significance, recreational value, tranquillity or richness of wildlife?

If there is please tell us about it – where is it and what is special about it

Q14) Are there any buildings or other structures, besides those that are already listed, you would consider to be of historical value to the parish or community and believe are important to protect?

If so please tell us about them – where are they and what is special about them

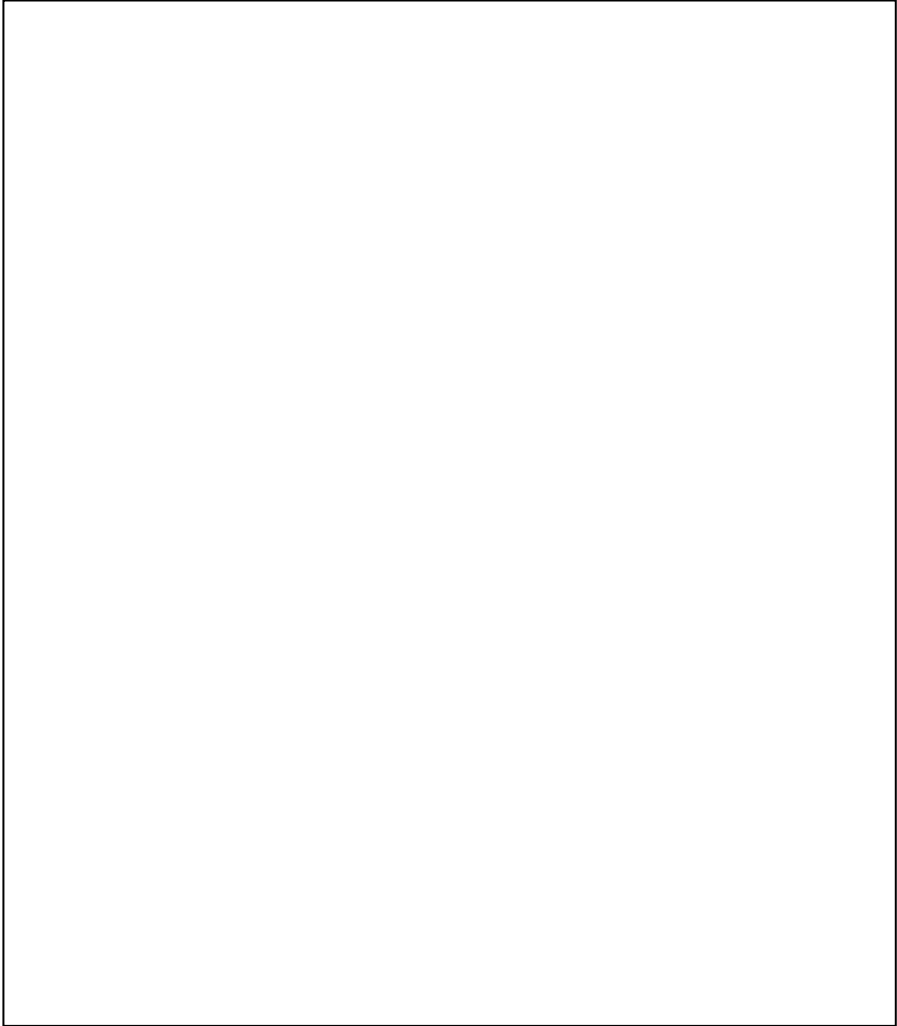

Q15) Are there any views and vistas into and across open countryside from the public roads and footpaths in the parish that you think are particularly special and should be protected?

If so, could you tell us what the view is of and from where they can be seen

Q16) Have there been any incidents of surface water flooding in the area where you live?

If so, could you please give any details

Please provide any other comments you may have on the draft objectives in the box below:

A large, empty rectangular box with a thin black border, intended for providing comments on the draft objectives.
